## DO YOU HAVE WHAT IT TAKES TO BE A MEMBER OF THE CHINA EXPLORATION CLUB?

The past collides with the present when a theft occurs on the grounds of the Shanghai International School. A group of friends—Archie, Edward, Yan Yan and Sze-go exploring in a long-abandoned chapel building and are horrified when they discover that their friend and mentor Ah Sook has been hurt, and that the perpetrator has stolen the key to the Stronghold of the White Emperor. They decide to follow in the footsteps of a 1941 expedition to the Stronghold, to prevent the thief from stealing the Brazen Head, an ancient bronze statue that can predict the future. But they face many dangers on the way, and must be as clever and as skilled as the best of the White Emperor's court to get to the prize in time.
